

30-FOOT RESTROOM TRAILER

TRAILER #218

- Climate controlled facility (heat & A/C) when connected to power.
- Black corain sinks with hands-free faucets and granite counter tops.
- Recessed interior lighting allows for around the clock usage.
- Flushable toilets conserve water while improving restroom hygiene.
- Ventilation system allows fresh air in and removes unwanted odors.
- Seperate entry and exit doors improve traffic flow for guests.
- Placement should be on solid level ground within 100 feet of electric and water source.
