

BLUE STAR 1503 TRAILER

- Private stalls, simulated hardwood flooring, and monochromatic colors create a contemporary restroom facility.
- Ready to plug into standard outlets or 12-gauge extension cords.
- Climate controlled facility (heat & A/C) when connected to power.
- Solar power option will power lights and on-board water for remote locations when power source is not available.
- Placement should be on solid level ground within 100 feet of electric and water source.
